About US

At Zion International, we believe that the secret to heavenly, delectable desserts lies in the quality of ingredients that go into them. As a premier Bakery Ingredients Manufacturer based in New Delhi, we take immense pride in offering a highly diverse and premium range of products, including cake premixes, flavored glazes, bread improvers, cake fondant, and more.

Driven by a passion for innovation, we continuously refine our formulations to meet the evolving needs of bakers and patissiers. Our dedicated research and development team works tirelessly to craft ingredients that enhance texture, taste, and overall baking excellence. Committed to the highest quality standards, we ensure that every product upholds our promise of consistency, reliability, and superior performance.

At Zion International, we don't just supply ingredients—we help create moments of indulgence and joy, one masterpiece at a time.

NON - DAIRY WHIPPING CREAM

Uses

Desserts and sweet dishes like mousses, custard, pies, etc., achieve a light and airy texture. It extends its uses to bakery goods like cakes and pastries for a rich, creamy filling or topping. Its versatility extends to savoury products also, adding creamy richness with smoother textures.

Shelf Life

12 months at -18 Degree celcius

Storage

Keep in a dry place at -18 Degrees Celcius
